May 13, 2008

Greetings:

On June 14th in Fort Hall and June 21st in Idaho Falls, Partners for Prosperity will host free community events themed “Your Money, Your Future – Good Banking Workshop”. The workshop event will include opening welcome, keynote speaker, three workshop sessions on tips for good banking, and an exhibit fair with information tables.

Space will be provided for information tables representing various community groups, government agencies, banks and credit unions. Partners for Prosperity strives to build networks across a diverse group of people to act as a catalyst for positive systematic change by identifying, publicizing, and advocating action on poverty issues and by endorsing prosperity-enhancing programs. The workshops are a part of this strategy. We know that we can work together to reduce poverty and enrich lives through financial education to the public.

For more information, please contact Delverne Seaman at 251-5076 or delvernes@p4peid.org

We look forward to your participation at the workshop events.
